

Providence Preschool News

August/September

Welcome:

I would like to personally say welcome to a new school year. The summer has been full with planning and now here we are at the beginning ready to get started. I would like to use this time to remind you of some things and dates to get on your calendar.

Tuition

Please remember that tuition is due at the beginning of each month. A one time supply fee of \$35 is due which includes your child's t-shirt and tote bag. If you have not yet paid the supply fee, please have that sent with your first month's tuition. There are a limited supply of adult sizes left for parents if you are interested in purchasing a Providence Preschool shirt for yourself. The cost is \$8.00. Please stop by the office to see if your size is available.

Teacher Spotlight

Each month, I am going to focus on a teacher, sometimes two teachers, letting you get to know our Providence family. I am so proud of the hard work and dedication the teachers put into the Preschool and Mothers Morning Out program. Because I have not been able to get a quick interview in to each of the teachers, you get to hear about me first.

I am a graduate of Southern Wesleyan University with a bachelors degree in Early childhood Education. I taught Kindergarten for seven years. Once my daughter was born, I came home full time to be mommy. Now that my children are getting older, I have had the bug to get back into teaching, which lead me to Providence last school year to teach a 4K class. Then, the Lord opened the door for me to

step into the role as Preschool Director.

My husband's name is Chris. We just celebrated our ten year wedding anniversary this past July. I have a son, Michael, that just started kindergarten this year. I have a daughter, Katelyn, that is in the 3's class here at Providence.

I enjoy family time, exercising, scrapbooking along with many other activities.
